

## PARENT INVOLVEMENT IN EDUCATION

The Board of Education believes that the education of each student is a responsibility shared by the school as well as parents. The Board recognizes the need for a constructive partnership between the district and parents that provides for two-way communication and fosters educational support for students and parents. In this policy, the word “parent” also includes guardians and other members of a student’s family involved in the student’s education.

In keeping with these beliefs, it is the intention of the district to cultivate and support active parental involvement and to set and realize goals for parent-supported student learning.

To that end all district schools shall:

1. Consult with and encourage parents to share in school planning and in the setting of objectives through participating in school accountability committees.
2. Help parents understand the educational process and their role in supporting student achievement through regular, meaningful communication.
3. Inform parents of school choices and learning opportunities within the district, including but not limited to, information on open enrollment, choice programs and charter school options.
4. Provide opportunities for parents to be informed about their student’s progress toward attaining proficiency on state and district content standards through written materials and public meetings. Information shall explain how the student’s progress will be measured and how parents will be informed of such progress. This information shall also be provided to the school and district accountability committees.
5. Provide appropriate avenues for parents to find support in their role.
6. Encourage formal organizations for parents at each school building as well as at the district level. The organizations shall receive information concerning district and school activities and shall have opportunities for input into district decisions as appropriate.

The Board also recognizes the special importance of parent involvement to the success of its Title I, Migrant Education Program (MEP), and Limited English Proficiency (LEP) programs and directs the superintendent to ensure that the district and schools jointly develop with parents written parent involvement policies that meet the requirements of federal law.

Adopted: August 11, 2003
